## Burning Regulations

### TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Martin Sullivan, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the term of the permit. Burn before 9:00 am and after 5:00 pm. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

## Parking During Snow Storm

A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 PM and 8:00 AM or at any time in such manner as to impede snow removal operations.

B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.

C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

## Dog Ordinance

A. **RESTRAINT:** All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.

B. **PENALTY:** Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars (\$15.00) for each offense.

# TOWN OF AUBURN

P.O. BOX 309

AUBURN, NEW HAMPSHIRE 03032

TEL. 483-5052

Dear Fellow Residents,

What do you think of the cover of this report? The design concept was provided by your first-year Selectman, Louis Gamache. The talented art work was provided by your Acting Police Chief, Ed Picard. Our sincere thanks to both of these gentlemen.

Interpreting the cover leaves a lot to the imagination. At first we think of the pride that we have in our town — the place that we feel stands out above all other places. After all, it is the place that we have chosen to live, raise our families, establish friendships, and enjoy the superb quality of life. But what makes our town such a special place?

During 1989 your chairman had the opportunity to travel this country extensively. He will attest that from the normal cruising altitude of 37,000 feet there are no distinguishable boundaries other than the great natural boundaries. Our town is indeed part of a greater landscape. The impression of a particular community that most remains with you is the impression of its people. Auburn is no different — it is its people that make it the special place in which we take pride.

If by some heaving of the granite bedrock, our 28 square miles were suddenly catapulted into space, breaking our tether to this planet, what hope would we have for survival? What issues would become important? Would our town be missed or like the misplaced piece of the jigsaw puzzle would we leave no great void?

Our hope would continue to rest with our people, particularly our hundreds of volunteers who expend countless hours on behalf of the town in many different capacities. And could we not also find hope that if we were sent screaming back through the cold night sky and landed half a world away in a place like Lockerbie, Scotland, the same volunteer effort that we depend upon so much in Auburn would rise to the occasion without differentiating between our needs and their needs? Quickly, we would realize that we are part of a world of people — a world of different people all trying to do their very best.

What makes Auburn a special place? It is a community of different people all trying to do their very best to leave Auburn a little better than they found it. To our volunteers, we salute you. It has been a pleasure working with you during 1989. The accomplishments which we have made could not have been attained without your efforts.

Louis Gamache

# Town Warrant

## State of New Hampshire Rockingham, S.S.

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in said Auburn on Tuesday, March the thirteenth of next, at seven of the clock in the forenoon, to act upon the following subjects:

To bring your ballots for:

**FIRST:** Selectman for three years  
Moderator for two years  
Town Clerk for three years  
Tax Collector for three years  
Treasurer for one year  
Supervisor of Checklist for six years  
Trust Fund Trustee for three years  
Auditor for two years  
Police Commission for three years  
Cemetery Trustee for three years  
(Auburn Village)  
Cemetery Trustee for three years  
(Longmeadow)  
Library Trustee for three years

**SECOND:** Shall we adopt the provisions of RSA 72:28 (V) and (VI) for an optional Veteran' exemption and an expanded qualifying war service for Veterans seeking the exemption? The optional Veterans' exemption is \$100.00 rather than \$50.00.

**THIRD:** Shall we adopt the provisions of RSA 72:35 (IV) for an optional property tax exemption on residential property for a service connected total disability? The optional disability exemption is \$1,400.00 rather than \$700.00.

**FOURTH:** Are you in favor of the adoption of Warrant Article No. 4, as proposed by the Planning Board for the Town Zoning Ordinance as follows:

- a. Amend Article 2.02 Words and Terms, (17) Clustered Residential Development by deleting the term "Residential" from "Clustered Residential Development: to state Clustered Development and adding language which includes commercial and industrial buildings within the definition of a clustered development, so that the definition reads as follows:
  17. Clustered Development: Two or more buildings whether single family detached or multi-unit or commercial/industrial, "clustered" or "grouped" on a lot or group of contiguous lots closer than would otherwise be permitted by the minimum lot size, frontage and yard requirements of the Ordinance.
- b. Amend Article 3.11 Clustered Development, (2) General Requirements, subpart (a), by adding new language requiring that any clustered commercial or industrial development must be on a conforming lot, so that Article 3.11 (2) (a) reads as follows:
  - (a) The tract of land in a single or consolidated ownership at the time of application shall be at least 20 acres in size for a residential development and a conforming lot for commercial/industrial development.
- c. Amend Article 3.11 Clustered Development, (2) General Requirements, subpart (b), by adding the requirement that a proposed clustered development is subject to the Site Plan Review Regulations, so that Article 3.11 (2) (b) reads as follows:

- (b) The proposed project shall be subject to approval by the Auburn Planning Board under the Subdivision Regulations and Site Plan Review Regulations of the Town of Auburn, New Hampshire.

- d. Amend Article 3.11 Clustered Development (2) General Requirements, subpart (c) by deleting the term "residential" from the term "clustered residential development" to state "clustered development", so that Article 3.11 (2) (c) reads as follows:

- (c) Minimum frontage of the clustered development shall be one hundred (100') feet on a class V or better town road, which may consist of two (2) separate fifty (50') foot private right-of-ways into an existing public street(s).

- e. Amend Article 3.11 Clustered Development (3) Specific Design Requirements by deleting subparts (a) through (j), inclusive and any reference thereto.

- f. Amend Article 3.11 Clustered Development (7) Project Review by deleting it in its entirety to avoid language inconsistent with the requirement of Article 3.11 (3) that a Clustered Development is subject to the Site Plan Review Regulations.

**FIFTH:** Are you in favor of adoption of Warrant Article No. 5, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 7.00 Building Code and Building Permits, to add Article 7.10 Smoke and Fire Detectors, requiring that all new construction for single family and two (2) family homes shall be equipped with 110 volt hard wire smoke detectors, with a minimum of one per floor, including the attic. All smoke detector circuits will be tied into a common light circuit, unless future plans include provisions for a central alarm system, so that Article 7.10 reads as follows:

Article 7.10 Smoke and Fire Detectors:

All new construction for single family and two (2) family homes shall be equipped with 110 volt hard wire smoke detectors, with a minimum of one per floor, including the attic. All smoke detector circuits will be tied into a common light circuit, unless future plans include provisions for a central alarm system.

**SIXTH:** Are you in favor of adoption of Warrant Article No. 6, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 3.12 Manufactured Housing, to also permit manufactured housing in the "R", Rural District and the "R-1", Residential-One District, so that the first sentence of Article 3.12 reads as follows:

3.12 Manufactured Housing

Manufactured Housing shall be permitted in the R-2 (Residential-Two) district, the R-1 (Residential-One) district and in the R (Rural) district.

**SEVENTH:** Are you in favor of the adoption of Warrant Article No. 7, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

- a. Amend Article 2.02 Words and Terms, (27) Floodway by

adding the requirement that with respect to special flood hazard areas, the term Floodway shall be defined by amended Article 3.15 Floodplain Development Regulations, so that Article 2.02 (27) reads as follows:

27. Floodway: The area subject to regular flooding, the limits of which are determined by the normal annual high water mark of any lake, pond, river or other major waterway. With respect to special flood hazard areas, the term "Floodway" shall be defined by Article 3.15 Floodplain Development Regulations.
- b. Amend Article 3.6 Activity in Floodway, by deleting the existing language and substituting the requirement that there shall be no development within a floodway in any district, as the terms development and floodway are defined in amended Article 3.15 Floodplain Development Regulations, so that Article 3.06 reads as follows:
- 3.06 Activity in Floodway:  
In any district, there shall be no development, as it is defined in Article 3.15 Floodplain Development Regulations, within the floodway.
- c. Amend Article 3.12 Manufactured Housing, by adding the additional requirement that Manufactured Housing comply with the amended Article 3.15 Floodplain Development Regulations, so that the last sentence of Article 3.12 reads as follows:
- All Manufactured Housing shall comply with and be sited in accordance with ANSI A 225.1, NFPA 501 A, BOCA Building Code, Housing and Urban Development Part 3280, National Electric Code, Article 3.15 Floodplain Development Regulations, and the National Plumbing Code. In the event of a conflict in the above codes the more stringent shall apply.
- d. Amend Article 3.15 Special Flood Hazard Areas, by deleting the Article heading and changing the heading to Floodplain Development Regulations, by deleting the entirety of the existing language under Article 3.15 and by replacing it with language regulating development of all lands designated as special flood hazard areas by the Federal Emergency Management Agency in its Flood Insurance Rate Map dated April 2, 1986. (The full text of these changes are on file at the Town Clerk's office and shall be posted at the polls on Election Day.)
- e. Amend Article 4.04 District Regulations — General, by adding the requirement that any and all uses allowed under the zoning ordinance must comply with amended Article 3.15 Floodplain Development Regulations, so that Article 4.04 reads, in relevant part, as follows:
2. Any and all uses allowed herein shall also be subject to all other applicable ordinances and regulations of the Town of Auburn, including but not limited to Article 3.15 Floodplain Development Regulations, and to the statutes or regulations of the State of New Hampshire.
- f. Amend Article 6.12 Variances, by adding the requirement that the granting of a variance within a special flood hazard area meet the additional standards recited in subpart (9) Variances and Appeals of Article 3.15 Floodplain Development Regulations, so that Article 6.12 reads, in relevant part, as follows:

6.12 Variances:

Any variance shall be only for the minimum relief required to alleviate the hardship justifying the variance and shall expire if construction is not commenced within one year of the authorization. In authorizing a variance, the Board may at-

tach such conditions and safeguards as it deems necessary or appropriate to protect the abutters, the neighborhood and/or the Town as a whole. Additional provisions relative to the granting of a variance within a special flood hazard area are contained in Article 3.15 Floodplain Development Regulations.

- g. Amend Article 7.01 General, by adding the requirement that any building or structure erected in any zoning district must comply with Article 3.15 Floodplain Development Regulations, so that the first sentence of Article 7.01 reads, in relevant part, as follows:

7.01 General

No building or structure shall be erected in any zoning district, unless in compliance with Article 3.15 Floodplain Development Regulations and each of the following:

- h. Amend the Appendices to the Ordinance by adding Appendix C, containing the Flood Insurance Rate Maps, dated April 2, 1986.

(The purpose of Warrant Article No. 7 is to bring the Town of Auburn Zoning Ordinance into compliance with National Flood Insurance Program requirements)

**EIGHTH:** Are you in favor of the adoption of the following petitioned Amendment to the Zoning Ordinance:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Auburn by changing the lot requirements in Section 4.05 "R", Rural District, of the Zoning Ordinance and Zoning Map to a minimum lot size of 2 acres and a minimum frontage of 200 feet to conform to the lot requirements of Article 4.06, "R-1", Residential-1 District, and "R-2", Residential-2 District, of the Zoning Ordinance.  
(By Petition) (Not Recommended by the Planning Board)

Polls will be open at 7:00 am and close at 7:00 pm.

You are also notified to meet on Saturday March the seventeenth next, at 1:00 pm, at the Auburn Village School to consider the following articles:

**NINTH:** To see if the Town will vote to accept such trust Funds as may come during the year and Trust Funds as have not been previously accepted.

**TENTH:** To see if the Town will vote to use the income of the H. B. Burnham Fund for the schools or library.

# Report of the Auburn Recreation Commission

The Recreation Commission had a busy year providing different forms of recreation to all ages. Programs offered throughout the year included a quarterly newsletter, a Summer Program, Senior Trips, a cultural event and continued work on the Recreation Area.

The quarterly newsletter is now edited by Doug Tibbetts. Thanks to his volunteer efforts behind his computer and the continued support from our local advertisers, the newsletter reaches over 1,500 homes. This remains our only source of communication — news in the community.

The Senior Trips were coordinated by Eileen McDonald. This year the seniors attended the New London Playhouse for a show and luncheon. Their second trip was to the Bullrun Restaurant for lunch and a show followed by a tour of a local winery in Berlin, MA. The senior programs are always well attended and enjoyed by all, thanks to Eileen McDonald.

The Summer Program ran for 5 weeks from July 8th to August 9th. We had 3 co-directors that ran arts and crafts, sports, computer activities, and other miscellaneous activities. The campers ranged from Readiness to Fifth Graders. Once again this year we were able to sponsor our Wednesday Swim Day at Calef Lake Campground thanks to the generosity of Bill Cooper, owner of the Campgrounds. Each Friday the campers went on a field trip to local points of interest.

Throughout the year work continued on the Sandy Acres Recreation Area. The infamous playground equipment was assembled and cemented in place on a snowy day in April thanks to the many volunteers from the Auburn Fire Department. The Auburn Little League used the Little League fields 6 days a week with over 200 Little League ball players using the new fields. The Soccer fields were put in by Haron Corporation after a public bidding process. Additional loam was brought in prior to hydroseeding. These fields will be ready for use this summer as Auburn starts the new decade with its own Soccer League. Basketball courts also exist at the Recreation Area. Presently there is only 1 pair of hoops but the Recreation Commission has plans for fencing and additional hoops in early 1990. Lastly a small area was cleared and asphalted for our skateboarders. This is a safe area for skateboarding — we hope to see it put to use in 1990. The Recreation Commission will continue to work on completing the Recreation Area so that as many people as possible can benefit from the facilities.

Our last activity in 1989 was the cultural performance by Gould & Stearns. They put on two performances, one during school and another in the evening. Their theme focused on Christmas and keeping things simple. Both performances were enjoyed by the audiences.

# **Auburn School District Warrant State of New Hampshire**

To the inhabitants of the School District, in the town of Auburn, New Hampshire, qualified to vote in district affairs.

You are hereby notified to meet at the Auburn Village School in said District on the sixteenth day of March, 1990, at eight o'clock in the evening to act upon the following subjects:

1. To hear the report of agents, auditors and committees or officer chosen and pass any vote relating thereto.

2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1990-91 fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds.

3. To see if the district will vote to discontinue the Auburn Capital Reserve Fund created in 1972 for the purpose of financing construction and reconstruction of school buildings and the acquisition of land for school buildings; said funds, with accumulated interest to date of withdrawal to be transferred to the district's general fund.

4. To see if the district will vote to raise and appropriate the sum of Thirteen Thousand Dollars (\$13,000.00) to reconstruct the new heating exhaust system of the Auburn Village School. (Not recommended by Budget Committee).

5. To see if the District will vote to raise and appropriate the sum of One Hundred Twenty Three Thousand, Nine Hundred Ninety Eight Dollars (\$123,998.00) to fund the cost items related to an increase in teachers' salaries and benefits attributable to the Collective Bargaining Agreement being entered into by the Auburn School Board and the Auburn Education Association for the 1990-91 fiscal year. Such sum of money represents the additional costs attributable to an increase in salaries and benefits over those obligations payable under the prior Collective Bargaining agreement. (Recommended by Budget Committee)

6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District.

# Auburn School District Meeting

## March 17, 1989

The Auburn School District Meeting was called to order at 8:00 PM on March 17, 1989 by C. Donald Stritch, Moderator, in the Auburn Village School Gymnasium.

**Auburn 1:** To hear the report of agents, auditors and committees or officer chosen and pass any vote relating thereto.

Motion to accept as printed was made by J. Herbert Tardiff. Motion was seconded by Bruce Mason. Vote was called for. Article 1 passed.

**Article 2:** To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1989-90 fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District Funds.

Motion to accept as printed was made by William Wood. Motion was seconded by Richard Miller. Vote was called for. Article 2 passed.

**Article 3:** To see if the district will vote to raise and appropriate the sum of \$24,300 as a supplementary appropriation for the 1988-89 fiscal year for special education tuition and expenses and authorize the expenditure of sweepstakes revenue in the amount of \$24,300 distributed by the Department of Education under the provisions of 1988 New Hampshire laws, Ch. 278 to fund the appropriation. (Recommended)

Motion to accept as printed was made by Alex Komaridis. Motion was seconded by Mr. Thomas. Vote was called for. Article 3 passed.

**Article 4:** (Submitted by petition) We, the undersigned voters, hereby request, that any increase in the School budget, reflect no more than a 5% increase per year on our Tax Bill, starting with the 1990 tax year. By petition, to be placed on the School Warrant, and to be voted on at the School District Meeting.

Motion to accept as printed was made by Bruce Mason. Motion was seconded by Anna Davis.

After reading letter received from lawyers Bruce Mason explained that he had decided to withdraw the article.

Bruce Mason made motion to Table article. K. Willis seconded motion. Vote was called on tabling article. Article 4 was tabled.

**Article 5:** To see if the District will vote to raise and appropriate the sum of One Hundred Twenty One Thousand One Hundred Seventy One \* ) \$121,171.00 Dollars to fund the cost items related to an increase in teacher's salaries and benefits attributable to the Collective Bargaining Agreement being entered into by the Auburn School Board and the Auburn Education Association for the 1989-90 fiscal year. Such sum of money represents the additional costs attributable to the increase in salaries and benefits over those obligations payable in the prior Collective Bargaining Agreement. (This is the second year of a two year contract.) (This sum of money is included in the 1989-90 budget) (Recommended)

Motion to accept as printed was made by J. Herbert Tardiff. Motion to seconded by Eileen MacDonald.

Bruce Mason asked what percentage is increase. Alex Komaridis

explained 9.5% increase. Town is still a little below average rate for teachers in town of comparable size and the area. Much discussion followed.

David Kuehl moved question. Mr. Bienvenue seconded. Vote was called for. Article 5 passed.

**Article 6:** To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for the school district officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District.

Gerald Lacourse made motion to raise the sum of \$3,566,819. Motion was seconded by Mr. Kennedy.

Anna Davis made motion to amend budget by 3% to \$3,460,000. Motion was seconded by Nick Komaridis. The question was asked if budget cut by this amount where would it come from? Possibly there would not be a Industrial Art or Home Economics and no full time music and art classes and no new 3 & 4 grade teachers.

Bruce Mason motioned to moved question on amendment. Nick Komaridis seconded. Motion did not pass. Discussion continued on amendment.

The School Board informed residents that Candia chose not to send students here for Home Economics and Industrial Arts and were going to reduce the budget by \$9,147.

Bruce Mason moved question on amendment. Mr. Davis seconded. Motion to vote on amendment passed. Vote was called to cut budget to \$3,460,000. Amendment on Article 6 did not pass.

Discussion on the budget of \$3,566,891 was continued. Discussion on Special Education Administrator and Teacher followed. There are approximately 70 children who qualify for Special Education. Bruce Mason made motion to vote on budget. School Board amended budget by cutting \$9,147 from budget making the figure voted on \$3,557,672. Mr. Kilham moved question on Article 6. Mr. Grenier seconded motion. A vote was called for. Article passed.

Motion to adjourn meeting was made by Mr. Martin. Motion was seconded by Mrs. Martin. Meeting adjourned 10:15 PM.

Respectfully submitted,  
Marcia Trombly  
Auburn School District Clerk

## Principal's Report

Graduation exercises were held on June 14, 1989, with forty-five students receiving diplomas. The guest speaker was Ms. Catherine Butts, 1985 graduate of Auburn Village School. Honor Speakers were Benjamin Koufopoulos, Jason Lacombe and Noel Bolduc. Department Awards went to Benjamin Koufopoulos, Social Studies; Noel Bolduc, Science; Jason Lacombe, English; and Chelsea Stoddard, Mathematics. The Honor Student Award went to Benjamin Koufopoulos, PTA Award Most Improved to Adam Cuvelier, Millie Preston Service Award to Candice Martin, Hooksett Rotary Award to Candice Martin, School Board Citizenship Award to Gregory Caron, American Legion School Medal Award to Anastasia McGrath, A.E.A. Teacher Appreciation Award to John McCarthy.

During the past school year the Science Curriculum Committee has been reviewing the science program and making recommendations to the school administration. Dr. Edward Hendry, Curriculum Supervisor from New Hampshire State Department of Education will serve as a consultant to the committee to assist them in coordinating an effective upper elementary curriculum that prepares the students to meet the challenges at the high school level. The major curriculum review for 1990-91 will be English.

Two new programs, Industrial Arts and Home Arts have been added to the upper elementary levels, 6th, 7th, and 8th grades. These two programs have been clustered into a Unified Arts Block with Art and Music. This allows us to maintain small groups and safe working conditions in the Industrial Arts and Home Arts areas.

At the Open House in September the majority of the visitors were impressed with the interior renovations and architectural design of the new addition.

The Auburn PTA has been actively engaged in promoting a positive school atmosphere and assisting teachers in developing innovative school projects, through teacher incentive grants. The PTA has also sponsored several community functions for students such as the Halloween Parties, the Annual Spring Carnival and sponsored the Odyssey of the Mind Projects.

I want to extend my appreciation to the Auburn School Board, the Superintendent of Schools, members of the Community, the School Staff, the School Volunteers, and the Auburn PTA for their efforts and support during the past school year.

Respectfully submitted,  
Raymond Bourque  
Principal

## Independent Auditor's Report On Financial Presentation

To the Members of the School Board  
Auburn School District  
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Auburn School District and the combining and individual fund financial statements of the School District as of and for the year ended June 30, 1989, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1C, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District at June 30, 1989, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

## AUBURN

At the conclusion of the 1988-89 school year I especially reflect on achievements of the Auburn School District and issues that were positively resolved. I would take this opportunity to publicly recognize and appreciate those individuals affiliated with the Auburn Village School as well as members of the community.

The building project which was approved at the March 1987 Auburn School District Meeting is scheduled for completion in October 1989. The additional space and new programs will benefit the students and the ever increasing school enrollment. This expansion program has remained a high priority with the School Board, administration, and staff. I am extremely pleased with the progress of this building project to date and would commend the architect and contractor for their efforts and achievements.

We are continuing to work on meeting the new minimum standards for elementary schools in New Hampshire. The State Board of Education has set June 30, 1991, as the deadline for all schools to comply. The new building addition has made it possible to comply with many of the standards set by the state. The addition of home economics and industrial arts adds a new learning experience for the students in the upper grades.

A most important achievement this past year was the participation and recognition of students from Auburn who won both state and world awards in the Odyssey of the Mind competition. This program is designed to enhance and encourage the problem solving abilities of students by posing open ended problems which can be solved in a variety of ways. Students learn to use higher level thinking skills, develop mental flexibility and creativity and produce practical solutions while working as a team on both long term and spontaneous problems.

A sixth grade team won the first place in the state finals for a project entitled "Just in Time". The students then went to Boulder, Colorado, in May and competed against teams from the United States, Canada, Mexico, China and the Soviet Union. This team finished in eighth place with a unique project based on the story "The Wizard of Oz", demonstrating creativity as they transported clothing around a pentagon using battery-powered cars. The team was judged on their style of performance, dexterity, time involved, and creative thinking. In a separate "spontaneous" problem-solving competition the Auburn students finished sixth out of 47 teams. The honors this team received are certainly a positive reflection on our school district. I would encourage continued participation in this worthwhile program, and sincerely appreciate the support of the staff, parents, coaches, and the entire community.

The Auburn School Board has reviewed the policy manual throughout the year as part of the ongoing process to update all Board policies. With constant revisions in state and federal laws as well as other considerations the School District needs to have current policies to assist everyone as we strive to provide the best possible education for our youth.

Recent technology has allowed the Auburn School District to procure a copy of New Hampshire History on Laser Disc. This disc was obtained through a grant from the Governor's Initiative Program through the Southeastern Education Regional Service Center, of which Auburn is one of fourteen member districts.

During the 1988-89 school year the Auburn Village School was inspected for asbestos containing building material (ACBM) and a management plan compiled as required by the 1986 Asbestos Hazard Act (AHERA). Parents, employees and other building occupants have been notified that the Management Plan is on file in the administration office as required annually by the AHERA Law.

During the 1988-89 school year the Auburn School District provided special education services to 84 students. Seven of those were enrolled in preschool programs. Another four students attended private special education programs. Twenty-seven students attended public schools in other districts including 16 high school students. The special educational needs of the remaining 46 students were met at the Auburn Village School. The State Department of Education conducted an evaluation of Auburn's special education services on March 1 and 2. The evaluating team commended the District for efforts "to incorporate these programs within the regular structure" of the school. They observed and commended the continuing efforts of a dedicated staff in meeting the unique needs of students.

I wish to thank the Auburn School Board members, Mr. Raymond Bourque, Principal, all school staff members, and the citizens of Auburn for their assistance during the past school year.

Respectfully submitted,  
David R. Cawley  
Superintendent of Schools

## School Board Chairman's Report

The past year can probably be best categorized as one in which the School District has paused to catch its breath and look forward to the next goal. The school building is about 99.95% finished with only a few relatively minor items left to complete under the contract. At the same time, there are a few additional, but unexpected items, that have arisen as the building becomes fully utilized. These, too, are being addressed.

The 1989-90 school year began smoothly and appears to be running quite well overall. The new programs that were initiated this year are functioning quite well, and we look to go beyond the simple basics by implementing a unified arts program that will draw on all areas.

A Future Needs Committee has been established and has been meeting on a regular basis to determine where we stand at this moment, where we need to go from here, and when we need to start. Unfortunately, the next step may come sooner than any of us would like. Our best guess at the moment seems to indicate that all of the classrooms will be fully utilized within the next 1 to 2 years, although we will not have reached our student population capacity. We may be able to hold out for a year or so after that by reducing the number of classes in some grades which means more pupils per class. But, that can only be a temporary measure.

Anticipating the probable need for some type of new school building in the next few years, we are aiming at having an engineering study done of the Cohas Brook town property to see if it would be a viable location for a school. If it is not, then we will have to begin looking towards purchasing property for the next school.

We're keeping our fingers crossed and looking forward to the Committee's report.

Respectfully Submitted,  
Alex Komaridis, *Chairman*  
Auburn School Board

# Auburn School District Future Needs Committee 1989 Annual Report

The Future Needs Committee was assembled by the School Board in the fall of 1989. The Committee is comprised of 10 members representing a wide variety of backgrounds and expertise.

Jim Andrus	Mitch Henley
Les Stachow	Herb Tardiff
Jake Linxweiler	Bill Cavanaugh
Polly Locke	Kathy Canedy
Pam Petuck	Colleen Chenoweth

Though the committee was never charged with a particular agenda, the committee has already made the following determinations.

- 1) The newly expanded Auburn Village School can accommodate up to a maximum of 650 students. Once this limit is reached, there is no further expansion available at this site.

With this in mind, the Committee has undertaken a number of steps to plan for Future School Growth.

1. Complete a **comprehensive census** for the town of Auburn with the primary focus on School age children. Once we have determined the school population for the next five years or so, we will be able to determine when the present facility will reach its maximum capacity.

Once we know this, we will explore what kind of additional facilities and programs might be needed.

Aside from wrestling with program needs and facility requirements, some other issues such as Kindergarten will have to be addressed.

2. The Committee also needs to identify any possible lands available for possible future School construction. The Committee will work closely with the Planning Board on this project.
3. Since it takes at least 3 years for a school to be constructed from the time of conception to the time of completion, it is imperative that the Committee be ongoing
4. Some of the future issues might be:
  - a) When will the next building phase or phases be needed?
  - b) When will Auburn have to consider a High School?
  - c) What location or locations would best suit the geographic distribution of the town?

One of the best ways to help achieve these goals is to:

- a) Maintain accurate census information. With this in mind, a mechanism to identify any changes in resident population must be put into place.
- b) A constant monitoring of available lands.
- c) Any long range plans for possible school construction must be updated with the Planning Board so that the impact on the town can be coordinated with other capital projects.

From time to time, the Long Range Planning Committee will hold public meetings to invite input from the community.

Sincerely yours,  
J. Herbert Tardiff  
Chairman

# Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at the Town Hall. Requests for a hearing are made to the Zoning Officer. During 1989 the Board held 26 hearings. There were 16 Variances, 3 Special Exceptions, and 7 Administrative Decision Appeals. The Hearings are open to the public, are posted, and are advertised in the Manchester Union Leader. Minutes of the hearings are posted at the Town Hall for public review.

I wish to express my appreciation to the Board members for the time and effort expended in the Town's benefit.

*Respectfully,*

*Ernest Cullen, Chairman*

# The Auburn Planning Board

During the year of 1989 the Auburn Planning Board was heavily involved with the update of the Auburn Master Plan as prepared by the engineering firm of Dufresene & Henry, Inc. and Gerald I. Coogan AICP, Planning and Development Consultant. The update status of the Master Plan was aided by town participation in completion of a questionnaire which was mailed to all Auburn households. The data enabled the engineers in their recommendations to the Planning Board as pertains to zoning, land use regulations, housing issues and town development as applies to town agencies. Also placed on the 1989 Planning Board Agenda were the review and update of the Growth Management Ordinance, Capital Improvements Program, Auburn Zoning Ordinances, Auburn Building Codes and Auburn Zoning Map. Listed below are the approvals and considerations as heard by the Planning Board during their 1989 session:

- 40 Residential Subdivisions
  - 1 Commercial Subdivision
  - 9 Site Plan Reviews
    - 1 Recording of Property
    - 1 Right-Of-Way Acquisition

- 2 Excavation Permit Renewals
- 5 Lot Line Adjustments
- 6 Site Plan Review Updates
- 27 Informative Considerations
  - 1 Land Trust Consideration

The Planning Board meets each Wednesday evening at 7:00 P.M. in the Planning Board Office located in the Auburn Town Hall.

# REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission offers a wide variety of services, resources and technical assistance to all towns that are dues-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective as well as which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.,

Services that were performed for the Town of Auburn during the past year are as follows:

1. Provided testimonies to the House and Senate committees of the 1989 session of the General Court on many House and Senate bills pertaining to planning and zoning issues. House Bill 758 dealing with impact fees, and Senate bills 139 and 166 deserve special mention.
2. Co-sponsored the Municipal Law Lecture Series, to which Auburn officials were invited.
3. At the request of the Board of Selectmen, provided copies of Pavement Management study for the town of Auburn.
4. Provided a map showing Auburn town line at Tower Hill area as per the request of the Selectmen's secretary.
5. Provided reference materials for the development of affordable housing in the town. This was done at the request of the Planning Board.
6. Assisted with revision of the Flood Insurance Program ordinance for its adoption at the town meeting. This ordinance, if adopted, will meet all the requirements of the Federal Emergency Management Agency of the U.S. Government.

Auburn's Representatives to the Commission are:

Mr. Charles Worster  
Mr. Frank Edelmann  
Mr. Donald Mazloff — Alternate

Executive Committee Member: Mr. Frank Edelmann

Metropolitan Manchester Transportation Planning Policy Committee:

Mr. Donald Marzloff

# Building Inspector Report

1989 was a very active year, a total on one hundred sixty permits were issued. Thirty-two new single family homes were constructed, three commercial structures, along with one hundred twenty five home improvement permits.

Total revenue generated from building permits amounted to nineteen thousand, two hundred twenty-seven dollars and twenty-seven cents (\$19,227.27).

I would like to thank all the contractors and home owners I had the opportunity to meet for their concerns and co-operation.

# Visiting Nurse Association of Manchester and Southern New Hampshire, Inc.

The Visiting Nurse Association has been providing the residents of Auburn with a full range of home health services since 1965. VNA Board of Trustees and staff take this opportunity to reaffirm their commitment to excellence in health care, and to provision of services designed to ensure that being cared for at home is safe, comfortable and convenient. VNA home care and community health services are provided through its affiliates.

**VNA Home Health Services, Inc.** is Medicare and Medicaid certified, provides intravenous and enteral therapies; skilled nursing care; physical, occupational and speech therapies; nutrition counseling and medical social services; certified home health aides; Hospice care for the terminally ill; and long term care for the elderly and the handicapped. Medical equipment, such as beds and wheelchairs, is also available. Payment for service includes health insurances, and private payment. Fees are explained to our patients at the first visit to the home and for those unable to pay the usual fees, adjustments can be made on an individual basis.

**VNA Community Services, Inc.** provides free Immunization Clinics for all age groups monthly and Free Blood Pressure screening clinics. Watch your local paper for date and place. Foot Care clinics are held monthly at our 194 Concord Street office by appointment and blood pressure checks are done weekdays from 1:30-4:00 p.m. Occupational Health programs are provided to business and industry on site. Parent-Child Health Services include the Teenage Pregnancy Program, and the Parent-Baby (ad) Venture Program for children at risk of abuse and neglect, and the Child Care Connection for child care providers.

**VNA Child Care Center** provides a full-range of state-licensed child care, tailored to each child's needs. Programs include Infant/Toddler (ages 6 weeks to 36 months); Preschool (ages 3-5); and Kindergarten (age 5). The center also provides Extended Care, which is a before and after-school program for children grades 1 through 6, and special full-day programs during some holidays, school conference days, and school vacations. Its summer session provides creative, fun programming for children ages 3 to 11. As needed, VNA also offers families a continuum of coordinated health and social services, both directly from the VNA and through working arrangements with other community resources.

**VNA Personal Services, Inc.** provides private duty nurses, home health aides, homemakers, companions, personal care assistants and child care in the home.

Town appropriations, grants, United Way allocation and donations are a vital part of the funds that help to defray the cost of unpaid services.

Sincerely,  
Sarah Hubbard  
President

# Annual Report

## Auburn Police Department

In January 1989, the Auburn Police Department started its second full year in the office space made available by the Auburn Fire Department located on Raymond Road. The Department completed its required in-service training on Use of Deadly Force, instructed by Chief James Gatcomb of the Candia Police Department. Lt. Edward Picard completed a one week course taught by the FBI concerning the Collection and Preservation of evidence. Lt. Picard worked with the Rockingham County Sheriffs Department in presenting the Officer Phil Program to the Auburn Village School.

In February the Department completed an in-service training session concerning Edged Weapons and another in-service training session on Report Writing.

In March the Department completed an in-service training session on Officer Survival. Chief Wood completed a course in Property and Evidence Control Procedures presented by PSTC. Chief Wood completed a three day course taught by PSTC on Videotaping in Law Enforcement.

In April the Department completed its annual in-service training on DWI-Detection, Apprehension, Arrest, and Prosecutions. Chief Wood attended a Police Professional Liability Seminar presented at Babson College by the New England Association of Chiefs of Police. Chief Wood attended the regional Meeting of the Commission on Accreditation of Law Enforcement Agencies held in Hartford, CT.

In May Officer Paul Sanford became certified as the Departments Firearms Instructor. Chief Wood attended a school at Babson College on Command Decision Making Techniques.

In June Chief Wood and Lt. Edward Picard attended the University of New Hampshire Training in Sexual Assault Investigations sponsored by the Attorney General. Chief Wood attended the annual New Hampshire Association Chiefs of Police. Training courses included Recruitment and Training Issues and Drug Enforcement and Investigation Issues. Chief Wood was appointed to the Accreditation Committee, Appointed Chairman of the Training Committee, and re-appointed Chairman of the Scholarship Committee.

In July the department completed in-service training on Advanced Driving School taught by PSTC and held at the Manchester Airport.

In August Officer David Flight was hired as full time officer. Officer Michelle Simard was hired as a part time officer. Chief Wood completed a Ritualistic Crime Seminar at PSTC. Chief Wood attended the semi-annual meeting of the Juvenile Justice Committee of the International Association Chiefs of Police. He presented his sub-committees report.

In September the department completed an in-service training session of a Simulated Trial Court session in the Auburn District Court.

In October Lt. Edward Picard, Officer Paul Sanford, and Chief Wood attended a presentation on Satanism and the Occult presented by the Rockingham County Law enforcement Association. Chief Wood attended the annual International Association of Chiefs of Police meeting held in Louisville, KY. Training sessions attended included, Asset Forfeiture, Physical Fitness Programs, Juvenile-Kids At Risk, Computers in Police Work, and Current Police Chief Issues.

In November Officer Officer David Flight graduated from the New Hampshire Police Academy.

In December Officer Michele Simard was promoted to the position of full time police officer.

ON the following pages you will find a summary of activity for the year 1989.

We of the Auburn Police Department would like to thank the public safety agencies and you the citizens for your assistance. If you have a problem, need information, or need assistance, call 483-2922.

Respectfully Submitted

# Report of the Auburn Volunteer Fire Department

There were 205 total fire and rescue calls in 1989. Included in this number were: 8 structure fires, 5 vehicular fires, 16 other type fires, 86 emergency medical calls, 3 hazardous condition calls, 10 service calls, 3 good intent calls and 28 false alarms.

The Auburn Volunteer Fire Department purchased the cardiac defibrillator and monitor authorized at the 1989 town meeting. The recorder unit was obtained from the Elliot Hospital and by July, the defib unit was in service on Rescue One. The Elliot Hospital EMS coordinator conducted an intensive twenty-four hour course on reading and interpreting cardiac rhythms and proper use of the defib unit which five Auburn EMT's successfully completed.

After careful consideration of the departmental needs, the Fire Association purchased a computer system. The primary function of this computer will be to aid communications dispatch with incident location town roads, water source information and mutual aid response planning. The computer will track incidents for the state fire incident reporting system as well as keep inventory, administrative records and budget records on file.

The fire department put into service a forestry truck which was donated by Bo Cooper. This fire apparatus will carry brush fire equipment and tools and should keep the fire engines out of the woods.

With money received through donations, the department purchased much needed helmets. Contributions are always accepted and this money is used to purchase equipment for the fire department.

The fire department members volunteer participation in community activities. Presentations and demonstrations were made at scouting meetings and to other town organizations. The fire department worked on the town playground. Bleachers were picked up from Pinkerton Academy and delivered to the Village School by the firemen.

Fire Department "athletes" organized a volleyball team and competed in the Easter Seals tournament. The department "actors" helped Channel 11 with their fund drive by answering telephones for an afternoon. Every eight weeks, a band of potential blood donors troop down to the Red Cross Blood Center.

Training that took place at Station One during 1989 besides the defib course included a 60 hour First Responder course, a 6 hour CPR class and a 24 hour EMT refresher program, all taught by Auburn Fire Department instructors. A hazardous material program was also held at the department. These courses were held in addition to the regular monthly training sessions.

To keep up practical application of fire theory and hands on fire suppression, the fire department burned three structures. Controlled burning sessions at the Boat House provided practice in fire evaluation, initial attack, knock down, overhaul and salvage and the use of survivairs for search and rescue.

Two Auburn firemen successfully completed air apparatus training in California and are now certified to maintain and repair Auburn's many survivairs. Many long hours are spent by department members to keep up their certifications so that the best fire protection and medical care can be provided to the residents of Auburn.

Fire Prevention week was observed in October. During the week, many programs and demonstrations took place at the school and around town. Besides a fire drill, a jeopardy-type program took place. The open house was held at Station One, decorated with drawings from the Auburn school children. A muster was the grand finale to a busy, informative week.

Excellent fire prevention information and safety tips are publish-

ed in the town newspaper thanks to the fire department "reporter". All town residents can benefit from this column.

The fire department participated in Olde Home Days with games, demonstrations and stand-by for emergencies at the celebration. A fire truck parade wound through town alerting townsfolk of the festivities.

All school-age children can still be fingerprinted through a program offered by the Women's Auxilliary.

The firemen are dedicated and well trained volunteers. Smooth operation of departmental matters and policies are conducted by the fire department officers. All apparatus, fire engines and equipment as well as the building and grounds are maintained by the firemen.

A reminder: when reporting an emergency, remain clam, speak clearly and remain on the telephone until the dispatcher has all the necessary information. Remembering to follow this advice can make a difference for rapid response to your emergency.

Chief, AVFD

## Report of the Town Forest Fire Warden

Statewide, 550 fires scorched 554 acres in New Hampshire from January through December of 1989, compared to 498 fires burning 509.1 acres in 1988. However, for the fourth consecutive year, no notable brush fires are reported in the Town of Auburn.

Leading causes of brush fires continue to be open fires ignited without permits, burning debris in barrels that get out of control and children playing with matches. All these causes are preventable through public awareness and education.

During "dry" times of the year, usually summer and fall, open fires are banned. Extra care must be taken to prevent accidental forest fires.

Written permission must be obtained in order to legally kindle an outdoor fire when there is no snow cover. Permits are issued only on the day of a burn and when safe burning conditions exist. An open fire must never be left unattended. Other times and factors apply so contact a Forest Fire Warden for information. The public is reminded according to RSA 224:27 persons burning without a permit are subject to a \$1,000.00 fine, a one year prison sentence and/or reimbursement of the cost of the fire suppression

Please continue to help forest fire officials with fire prevention.

# Computer Advisory Committee

The Computer Advisory Committee was created by the present Board of Selectmen to determine the computer needs of our town and recommend a solution to those needs. Open solicitation for volunteers was made, and everyone who responded was invited to participate. A committee of 11 fellow citizens and myself was formed in September 1989.

To determine Auburn's computer needs, members of the Computer Advisory Committee interviewed each active department and several other committees. Information from these interviews was combined to produce a list of computer system requirements and other features necessary for town business.

Six vendors were identified as suppliers of municipal computer software and hardware. Each of these vendors presented a demonstration of their system to the committee and other interested parties. Preliminary proposals were requested based on the requirements and features as determined by the committee.

After evaluation of each vendor's proposal (including on-going maintenance and support costs), the two vendors whose products most closely matched the town's requirements were invited to conduct a hands-on demonstration for the town employees. The combined decision of the employees and Computer Advisory Committee resulted in our written presentation to the Selectmen and Budget Committee, in addition to the Warrant Article prepared for Town Meeting.

The 11 members of the Computer Advisory Committee were:

Homer Cates	Craig Pahigian
Al Cilcius	Kathy Perris
Jim Hrubiec	Bruce Sorrentino
Thomas Ireland	Max Steiner
David Loiselle	Carol Thorsten-Stein
Don Maccorkle	

Although the level of participation has varied among its members, the Computer Advisory Committee has spent over 300 hours on this project, not including the use of equipment and other resources. We believe the recommendations and presentations of this committee reflect the high level of effort and professionalism of the membership.

Signed:

Charles Kellett, *Chairperson*

# Report of the Solid Waste Committee

The Solid Waste Committee meets every second and fourth Tuesday of the month at 6:30 PM at the Town Hall. All meetings are open to the public. Minutes of the meetings are available at the Selectmen's office.

The main function of the committee, is to monitor, evaluate, and recommend any policies concerning the Solid Waste Facility.

1989 was a busy year for the committee. Major emphasis was placed on recycling and facility monitoring.

I would like to thank the committee for their time and effort expended in their commitment for a better Auburn.

Respectfully,

Debbie Anderson, Chairperson
